Amazing location in the sought after neighbourhood of Strathcona, steps away from Mill Creek Ravine. 1.5 storey home on a tree lined street with lots of potential to renovate or build an infill. The lot is a good size and has southern exposure in the backyard. This 1953 home has a good foundation but needs a some TLC to bring out the natural beauty. Close to downtown, Whyte Ave and the UofA. Don't miss out on this great opportunity.
